
Mini-Dungeon
Boss Room
Undead Guardian of Tutorial Forest:
The Skullback Pincer
A tutorial boss fight where the player has to tire down the boss before shooting its weak spots (the skulls).
Has a chance of turning the arena dark, or pulling a fast one with its pincers.
Drops shell remains that can later be reinforced into a tough, thorned chest plate and shield.
Also drops memory card expansion, allowing user to collect more captures (5 to 9)
Requires the pickaxe to destroy

standing on the stool activates the boss fight in RPG form
Enemy Stage:
Goblin (x1) & Bat (x1)
Capture Abilities:
Goblin - none
Bat - increase arrow range (at 10 captures)
This chest contains a hook shield
This chest contains a hook pickaxe
Mini-Dungeon
Room 1
An Invisible Maze:
can be 'brute-forced'
but hawk capture makes
things MUCH easier
transparency depicts something that is invisible to the player regularly, but can be visible using the hawk capture ability
This chest contains a bow with 20 arrows
Secret Room
Capture Abilities:
Skull - allows user to temporarily turn invisible to enemies
Requires the pickaxe to access
stepping on each pressure plate gives a subtle hint about each of the 4 main regions in the rest of the game
